COMPANY PROFILE

COMPANY OVERVIEW

Fabatur International Limited is a premier Nigerian service company with a global perspective, dedicated to delivering exceptional engineering support services and comprehensive solutions across diverse industries. Established with the vision of transforming service delivery in Nigeria and beyond, we have quickly emerged as a trusted partner for businesses seeking innovative and sustainable solutions.

With a robust portfolio that encompasses construction, real estate, procurement, renewable energy, and water management, Fabatur stands as a one-stop destination for high-quality services tailored to meet the unique needs of our clients. Our expertise spans various sectors, including residential, commercial, industrial, and infrastructure development, allowing us to undertake projects of any scale with confidence and efficiency.

At Fabatur, we pride ourselves on our commitment to quality and excellence. Our team of highly skilled professionals brings a wealth of experience and technical

MISSION STATEMENT:

To deliver innovative and sustainable solutions that foster growth and excellence across industries worldwide, cultivating enduring partnerships and enhancing the quality of life in the communities we serve.

VISION STATEMENT:

"To be a globally recognized leader in integrated service solutions, renowned for our unwavering commitment to quality, innovation, and unparalleled customer satisfaction."

CORE VALUES:

- **Integrity:**
Upholding the highest ethical standards in all interactions to ensure trust and transparency.
- **Respect:**
Valuing diversity and treating all individuals with dignity and fairness to foster an inclusive environment.
- **Agility:**
Responding swiftly to evolving market demands and client needs, ensuring resilience and adaptability.
- **Innovation:**
Promoting a culture of creativity and continuous improvement to drive advancements in our services.
- **Excellence:**
Committed to delivering superior quality and results, consistently striving for perfection.
- **Professionalism:**
Maintaining the highest standards of expertise and reliability to ensure outstanding service delivery.

WORK SAFETY

HEALTH AND SAFETY PLAN:

At Fabitur International Limited, the health and safety of our employees, clients, and partners are paramount. We are committed to creating a safe working environment by implementing a comprehensive Health and Safety Plan that includes:

Risk Assessment:

Regular identification and assessment of workplace hazards to mitigate risks associated with our operations.

Training and Awareness:

Continuous training programs for all employees on safe work practices, emergency response, and the proper use of personal protective equipment (PPE).

Safety Protocols:

Development and enforcement of safety protocols that comply with local and international regulations, including guidelines for construction sites, procurement processes, and service delivery.

Health Monitoring:

Regular health checks and wellness programs to promote the physical and mental well-being of our employees.

Emergency Preparedness:

Comprehensive emergency response plans, including evacuation procedures and first aid training, to ensure readiness for any unforeseen incidents.

Continuous Improvement:

Regular reviews and updates of our Health and Safety Plan based on feedback, incidents, and changes in regulations to enhance our safety culture.

Incident Reporting:

A clear and accessible incident reporting system to ensure timely investigations and corrective actions for any workplace accidents or near-misses.

BUSINESS PHILOSOPHY:

Understanding Client Needs:

We strive to deeply understand our clients' specific requirements, providing bespoke solutions tailored to their unique challenges.

Objective Advice:

Offering impartial advice based on experience and compliance with governmental regulations to ensure strategic foresight.

Technical Competence:

Supplying highly skilled personnel and engaging external consultants when necessary, while ensuring strict confidentiality.

Professionalism and Respect:

Approaching every client engagement with utmost professionalism and respect, safeguarding confidentiality.

Relationship Building:

Cultivating strong, personal relationships with clients, partners, and stakeholders to foster trust and collaboration for mutual success.

OUR SERVICES

Construction:

Fabitur excels in delivering innovative and sustainable building projects that adhere to the highest quality and safety standards. Our expertise encompasses commercial, residential, industrial, and infrastructure development, covering all aspects of the construction process from planning and design to execution and project management.

Procurement:

Our procurement services streamline sourcing and acquisition processes, ensuring access to top-quality materials, equipment, and supplies at competitive prices. Leveraging our extensive network, we provide tailored procurement solutions to meet each client's specific needs.

Real Estate:

We provide a comprehensive range of real estate services, including property development, sales, leasing, and management. Our deep understanding of local and international real estate markets ensures that our clients' ventures are managed with professionalism and efficiency.

Renewable Energy Solutions (Solar):

We offer innovative solar energy solutions, including:

- **Solar Panel Installation:** Customized solar panel systems for residential, commercial, and industrial applications, optimizing energy efficiency and cost savings.

- **Maintenance and Support:** Comprehensive maintenance services to ensure the longevity and performance of solar installations, including monitoring and troubleshooting.

- **Off-Grid Solutions:** Development of off-grid solar systems for offices and remote areas, providing energy independence and reliability.

Water Solutions:

We specialize in comprehensive water solutions, including:

- **Water Treatment Plants:** Design, supply, and installation of water treatment facilities to ensure clean and safe drinking water.

- **Reverse Osmosis (RO) Systems:** Implementation of RO systems for industrial and commercial applications, effectively removing impurities and contaminants.

- **Desalination Plants:** Development of desalination solutions to convert seawater into potable water, addressing water scarcity in coastal regions.

- **Chlorination Units:** Supply and installation of chlorination systems for effective water disinfection, ensuring compliance with health standards.

- ***Borehole Drilling:** Expert drilling services to access groundwater, providing reliable water sources for industrial and domestic use.

- ***Portable Drinking Water Solutions:** Provision of portable drinking water for communities in need.

STRATEGIC PARTNERSHIPS:

Fabatur International Limited collaborates with leading industry players to enhance our service offerings:

- 1. BUA Group:** A leading Nigerian conglomerate with investments in foods, infrastructure, mining, and manufacturing, significantly contributing to Africa's economic development.
- 2. Spitze Construction Limited:** A premier construction and real estate company based in Abuja, offering a wide range of services from architecture to luxury home development.
- 3. NIPCO PLC:** Renowned for the distribution of White Oil products, CNG, and LPG in Nigeria, setting new industry standards.
- 4. Redland Industrial Services Arabia Ltd (RISAL):** Specializes in industrial cleaning and environmental services for the oil and gas sector, including tank and chemical cleaning and waste management.
- 5. Yilteks Energy:** A prominent player in the energy market with a strong presence in Turkey and beyond, operating across various sectors.

Our Differentiator:

Fabatur International Limited distinguishes itself through an unwavering commitment to exceeding customer expectations, conducting periodic reviews, and adhering to the highest standards while meeting statutory and regulatory requirements. By integrating global knowledge and resources, we provide clients with a unique competitive edge.

Industry Knowledge:

Our multi-disciplinary practice equips us with an in-depth understanding of the industries we serve, enabling us to effectively address our clients' specific challenges. This comprehensive insight allows us to deliver targeted and impactful solutions that foster success and growth.

Global Capability

Embedded in our culture is a wealth of global experience, allowing us to leverage worldwide resources to serve our clients efficiently. With a proven track record of successfully serving international clients, our team excels in navigating the complexities of the global marketplace, offering insights and solutions that transcend all geographical boundaries.
